

**REMEDI™**  
LED Multi-function Bed Light

**PRODUCT OVERVIEW**

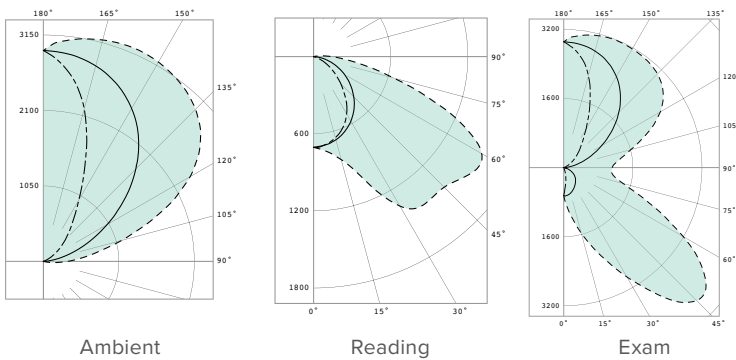

The Remedi bed light has a unique design capable of addressing the ambient, reading, examination and night lighting needs for the patient and medical staff. With four distinct optical compartments and an open design, there is no need to physically manipulate any portion of the luminaire - a time saver for the caregiver and safer for the patient. A variety of options are available to allow configuration to fit the requirements for varied healthcare applications.

**APPLICATIONS**

- Patient Rooms
- Examination Rooms
- Pre- and Post-Op Areas
- Physician's Offices
- Clinics
