

**EVEXIA**  
Patient Bed Light

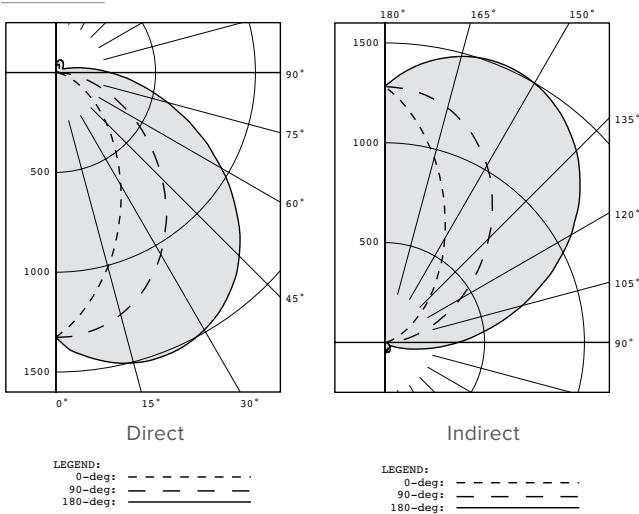

### PRODUCT OVERVIEW

Evexia blends a simple design, solid state performance, and durable construction for a bed light luminaire that addresses the varied challenges of the patient bed environment. The flowing lines and gentle transitions in its form are aesthetically appealing and simplify routine cleaning. Dual optical compartments provide high quality, low glare illumination for both ambient and reading tasks while the die cast and extruded aluminum construction withstands the daily rigors of healthcare spaces.
