FIBERHUBB™

Let Hubbell Be Your Fiber Connection

FTR H4 Four Across Rack Enclosures

The FTR H4 Rack Mount Fiber Enclosure provides a high-density solution and long-term reliability. The H4 provides 96 ports in a 1U configuration and up to 480 ports in a 4U enclosure.

Smart organization features for fiber panels, cassettes and splice trays as well as organizing and protecting fiber optic cable

- Front cable management tray for safe, secure organization
- Four across for maximum density
- Easy access removable top
- Easy rear cable management options
