

NEW! UNIVERSAL SPLIT INSULATING BUSHINGS

Application

Don't sweat it, just split it!
RACO's new Universal Split Insulating Bushings can be installed after wires and cables are pulled. Install on fittings, threaded or unthreaded Rigid/IMC, or EMT conduit.

The innovative design lends a quick and easy installation, especially where space is limited.

Features

- Code-saver
- Patent pending locking mechanism and hinge
- One-piece design: no need to fumble with extra pieces
- Easy, quick installation
- Low profile design
- No more damaged bushings during wire pulling
- Rated to 105° C
