

TayMac Commercial, Industrial and Residential Electrical Products

2500W

Most popular decorator style easily updates existing duplex receptacles

MASQUE[®]

DECORATOR COVER SERIES

Application

Decorator Covers improve the appearance of any room in seconds, creating a designer look by covering the old outlet, not replacing it. There is no need to rewire, saving time and money.

Features

- Completely covers old outdated outlets and switches
- Jumbo size easily hides excessive paint edge buildup from years of paint over
- Saves time and money
- Contemporary look with smooth finish for easy cleaning
- Unbreakable PVC won't crack or distort during installation and holds up to wear and tear
- Includes screw(s) in matching finish

Covers outdated outlets and switches for a sleek modern look in **2** simple steps

1
Remove old wallplate

2520W

2
Install new cover

2570W

Brand new look and no wiring!
