CONVERSION RINGS RETROFIT MOUNTING OPTIONS

HUBBELL[®]
Industrial Lighting

The Conversion Rings' retrofit design converts competitor mounts to new LED fixtures. By specifying one of the five conversion rings below, Hubbell Industrial's KHL or KSL housing can be mounted on an existing field mount, substantially reducing field labor costs.

Features:

- Versatile
- Saves retrofit time
- Saves money
- Relight labor savings
- Maintains hazardous and severe location listings

EXISTING COMPETITOR'S MOUNT

WORKS WITH CROUSE HINDS, APPLETON AND HAZLUX

Fits Kemlux Mounting Style

Mounts to Incumbent Fixture
