1 in. Universal Metal Stud Grommet

Catalog #:
1494B25

FEATURE BENEFIT

- Protect nonmetallic cable and conduit from damage running through metal studs

PRODUCT FEATURES

- Universal design fits in a standard 1 in. Trade Size hole (1-3/8 in. diameter), or various factory-punched stud configurations, eliminating the need to carry multiple SKU's
- Snap-in design secures quickly and safely to the metal stud opening
- Grommets prevent safety hazards and costly repairs by protecting the conductors against physical damage
- Light-weight plastic material eases installation
- UL and CSA listed for your safety and peace of mind

APPLICATIONS

- Universal design fits most common metal stud hold configurations
