5 In. PUZZLE-PLATE® Cable Protector Contractor Pack of 100

Catalog #:
2713-9R

FEATURE BENEFIT

Protect nonmetallic cable and plumbing from accidental nail or screw penetration with our steel cable protector plate. Interlocking design adds protection when more than one plate is needed.

PRODUCT FEATURES

- Innovative, interlocking design does not allow nail or screw penetration through gaps or holes
- Pre-galvanized steel construction for added corrosion protection
- No additional hardware required, just position and hammer down spurs
- Unique interlocking feature allows installer to easily increase area that requires protection
- Sold as a contractor pack

APPLICATIONS

Protects nonmetallic sheathed cable or raceway type wires running through wood studs from accidental nail, screw, or drill penetration. Also applies to plumbing to protect nonmetallic piping
