Rough-in Ready® Fixed Position Box Mounting Brackets, 12-Cable Supports

Catalog #:
4PRAC

FEATURE BENEFIT

Perfect for Pre-Fab, bracket supports 4 boxes, includes support for up to 12 cables

PRODUCT FEATURES

- Face mount stud bracket allows bracket/box to directly mount to any type of stud - metal (open or closed sides) or wood
- Supports up to 3 square boxes and mudrings
- Integrated top cable support manages cables entering assembly per current NEC requirements
- Easy to use, integrated locking tabs hold cable securely in place - simply snap cable in, no additional hardware required
- 9 built-in cable holders - accepts cable ranges 12-2 MC to 10-4 MC
- Stud bracket features centering hole for easy locating of bracket to correct height from center of device to floor
- Unique box locking tab secures box to bracket for transporting to job site. Tab design allows mudring to be removed from box without disengaging from
- Built-in, flip-out far side supports will accommodate either 2-1/2 in., 3-1/2 in., or 3-5/8 in. stud depths. For 5-1/2 in. or 6 in., simply break out included far extensions and add to flip-out support with screw

APPLICATIONS

- Easily position and adjust electrical boxes and plaster rings between studs.
- Featuring a built-in cable management system, which offers first means of support for flexible cable.
- The Open Center Bracket reduces assembly and installation time on the job site.
