1-Gang Protector Plate - 3/4 In. Raised

Catalog #:
701AJT

FEATURE BENEFIT

Perfect for Pre-Fab or new construction, this raised protector plate keeps devices and wiring inside the box safe from drywall debris and tools. Designed for use with RACO's adjustable mud rings, they also work with standard mud rings.

PRODUCT FEATURES

- Raised to protect decorator, duplex and switch device
- For use with all styles of mud rings (raised, adjustable, hinged)
- Attaches with included screws
- Reusable
- Steel construction

APPLICATIONS

RACO protector plates eliminate drywall compound, debris, paint and drywall router bit from entering the box or damaging the device or conductors
