AccelTex®
SOLUTIONS

FEATURES

- Powder coated steel bracket
- Universal mount with pre-defined mounting holes specifically designed for use with Mist and Cisco APs
- T-bar mounting plate
- White ABS plastic cover
- Gang-box mounting hole pattern

BENEFITS

- Allows for an AP to be mounted on a wall while maintaining the preferred horizontal orientation to the ground.
- Easy installation of the AP using the pre-defined mount keyholes or the T-bar mounting plate.
- Both mounting plates are specially designed to be compatible with most Mist and Cisco internal APs.
- Cover protects the AP from bumps, falls, or collisions, preventing unexpected network downtime.

MOUNT SHIPS WITH

- White Plastic Cover
- Universal AP L Bracket Wall Mount with Mist Mounting Plate
- Mounting hardware
