

AP L BRACKET WALL MOUNT WITH COVER — V4 ATS-APLBKT-COV-UNIV1-V4

FEATURES

- The AccelTex Solutions AP L Bracket Mount V4 with Cover allows an AP to be mounted on a wall while maintaining the preferred horizontal orientation to the ground
- The cover is easily removed and hides cabling and power cords running to the AP, creating a very aesthetically pleasing solution for indoor AP mounting
- Cover can be secured using a locking screw
- Easy installation of the AP using pre-defined mount keyholes
- Wire pass through has been added for easier cable management

BENEFITS

- Easy to install
- Versatile design
- Future proof-install a new compatible AP instantly

MOUNT SHIPS WITH

- M4 Drywall Screws with Anchors
