

# Universal AP 2x2 Ceiling Tile Enclosure Mount (White Bubble)

By AccelTex Solutions  
Catalog # [ATS-03835](#)

ATS-03835 (former catalog number ATS-CT-UNIV2-2x2-WHT). The AccelTex Solutions Universal AP Ceiling Tile Enclosure Mount allows an AP to be flush mounted in a ceiling tile grid. This version features a white bubble on the door to accommodate different manufacturer access points (APs). This mount also has a universal design making it compatible with multiple enterprise-class AP releases - including a bracket that can be tilted to adjust AP angle.

## Features

- Aesthetically pleasing white bubble cover
- Bubble cover can accommodate different AP sizes
- Compatible with multiple AP manufacturers

## Application

Indoors
