

VoIP Sentinel

By Austdac
Catalog # 116-02-055G-009

The hands-free weather resistant 16 button, the Sentinel, is flush or surface mounted and designed to be fixed to a vertical surface by vandal resistant tamperproof screws. The combined metal keypad and stainlesssteel faceplate provide protection from the harshest environments up to IP65.

Features

- Sentinel VoIP
- SIP Compatiable
- Full keypad with 2 memory dial buttons
- CE Marked
- Flush Mount
