

# Commander (GSM-R) yellow, steel cord, 0 button (CB) (UK Plug), CE Marked

By Austdac  
Catalog # 231-02-0000-212

Designed for indoor or outdoor use, the new GSM Commander offers wireless communications to provide a completely stand-alone telephone installation. The GSM phone greatly reduces installations costs by eliminating running wires. The battery and GSM terminal are housed inside the unit to provide a complete rugged telephone. The 0 Button Commander is programmable via SMS; simply lift the handset to automatically call a pre-programmed number.
