

## 723004CT, Tap Shear Bolt Connector, 4-Hole Pad

By Burndy

Catalog # [723004CT](#)

Conductor Range: 4/0 Cu (7 Str) - 350 Cu (19 Str) (.522" - .679")  
Tin Plated

### Features

- Easy to remove and re-use without damaging the conductor
- Available in NEMA standard 2- or 4-hole patterns
- Industry-proven wedge technology for quick and easy installation without the need for special tools
- Easily adaptable to standard hotstick tools
- High-conductivity grit corrosion inhibitor is factory applied for ease of installation and longevity while the connector is in service
- Meets or exceeds the current carrying capacity of the conductors being connected
- Remains permanently locked through fault current or power surges
- May be used in non-corrosive environments to connect copper conductors

- Excellent option for emergency restoration applications where outside crews might not have shoot-on or compression tooling

### General

Catalog Number 723004CT

### Conductor Related

Conductor Range 4/0-350 Cu
