

WEEB-2TC38, WEEB Two holed lug washer, 3/8" hardware NOT included

By Burndy
Catalog # [WEEB-2TC38](#)

Two Hole Telecom WEEB® Washer.

Features

- Made from corrosion resistant 304 stainless steel for outstanding durability and performance
- Eliminates the need for surface preparation and oxide inhibitor
- Detailed manual specifying proper hardware, torque, and mounting information is available upon request
- UL 467 Recognized for grounding and bonding equipment
- Custom grounding and bonding solutions available upon request

Application

Telecom WEEB® Washer pierces through most nonconductive coatings and embed into the underlying metal creating a bonding connection between the lug and the coated metal component that it is installed on (e.g. equipment racks, cabinets, enclosures, cable tray, etc.).
