# Cradle, 13' Side Open 15"Sup

by CHANCE Utility  
Catalog ID: C4010356

Designed specifically for selective removal of any one string in deadend bundles, double, triple or quad, the Side-Open Cradle eliminates the need of removing top strings in the bundle to get at the lower string. Cradles are shipped complete with bridle for attaching to Swivel Boom, an Insulator Retaining Plate and Hook Assemblies. The 15-inch assembly is used for single or double deadends. The 13-foot Cradle is rated at 1000 pounds maximum load.
