

B-Cable Suspension Screw

By Chance

Catalog # [PSC2170146](#)

B-Cable Suspension Screw. Used to attach messenger suspension clamps when use of a through bolt is not possible due to clearance constraints. Has an integral forged washer head, a 7/8" x 4-1/2" gimlet thread with cone point and includes one 5/8" assembled square nut. It is galvanized per ASTM A-153.
