

Heavy Duty Telescoping Disconnect Stick 16 ft (4.8 m) Maximum Length

By Chance Lineman Tools & Equipment
Catalog # [C4031599](#)

TELESCOPING TOOL, 16' HD, The Telescoping Tools offer maximum convenience. The universal end fitting on the insulated top section accepts a wide variety of attachments so that the lineman can disconnect switches, replace cutout tubes and reclose, remove pole covers, prune trees and complete many other overhead tasks . . . all with one tool.

Features

- Tested per OSHA & ASTM F711
- Allow linemen to perform many routine jobs from ground level
- Universal end fitting on insulated top section accepts a wide variety of attachments
- This allows lineman to disconnect switches and replace cutout tubes
- Also allows lineman to remove pole covers, prune trees, plus other overhead tasks
- Sticks retract to approximately 5 ft. for easy truck transport (even in most cab sections)
- Heavy-duty, spring-loaded plastic buttons keep extended tool sections locked in place
- As each section extends and slightly twists, buttons also pop securely into place
- Heavy-duty units have slightly larger tip sections: 1-1/4" versus 1-1/8"
- Each heavy-duty telescoping tube is also slightly larger
- This results in more rigidity, important for managing heavyweight maintenance tasks
- Both tip sections feature proven Chance Epoxiglas™
- This unicellular foam-core material prevents moisture trapping voids between foam and tool

Dimensions

Diameter	1.875 in
Dimensions	67 in x 4 in x 4 in
Dimensions Metric	170.2 mm x 10.2 mm x 10.2 mm
Height	4 in
Height Metric	10.2 mm
