

Universal Pole with Two Universal Heads 1.5 in (38 mm) X 8 ft (2.4 m)

By Chance Lineman Tools & Equipment
Catalog # [H17908](#)

Designed for use as a Hotstick handle for Universal Tools, Universal Poles are made of Epoxiglas™ and lightweight aluminum castings. The Universal Tools shown on the following pages fit under the thumbscrew of the spline on the Universal Pole. For job versatility, the splines allow angling the tool up to 90° depending upon the individual tool design. Universal Adapter M4455-84 may be added between the pole and tool to gain any angle desired.

Features
