

Adjustable Ladder Hook, 18"

By Chance Lineman Tools & Equipment
Catalog # [H49451](#)

HOOK, 18" ASSEMBLY, The Adjustable Hook is easily attached in one quick operation. Just position on the Epoxiglas side rail, swing the bolt around and tighten the wing nut. The hook is made of 1" diameter heat-treated, rust-resistant steel and is equipped with a rugged chain and chain snap for a positive lock between the ladder and the support. Hooks are rated at 1,000 lb. per pair. Adjustable Hooks for Epoxiglas ladders are popular with hot line maintenance and construction crews. Adjustable hooks can be used with Epoxiglas Hook Ladders to obtain a more convenient position, or attached to an Epoxiglas Service Ladder for use as a temporary hook ladder. Adjustable Hooks are ideal for suspension use where there are uneven or sloping supports.
