

Tool Lubricant

By Chance Lineman Tools & Equipment
Catalog # [M1909](#)

Tool Lubricant is a non-toxic, non-corrosive material, especially prepared to give hoists and tools the lubrication needed to keep them in top working condition. The lubricant coats the moving parts with a touch, durable film to prevent the tools from binding and galling. Handy plastic squeeze bottle for easy application.

Features

- Non-flammable, non-toxic, non-corrosive material
- Handy plastic squeeze bottle for easy application
