

## Kit, Truck Safety Barricade

By Chance Lineman Tools & Equipment  
Catalog # [T3060006](#)

This kit keeps workers and onlookers away from the truck when the truck is being used in proximity to energized conductors. Six rods, made of bright orange Epoxirod®, provide a 6-foot air space around the entire perimeter of the truck. The safety barricade also includes six pieces of 3-inch long steel tubing (to be welded to truck by the customer) to hold the barricade rods, 150 feet of yellow rope and a canvas storage bag. The entire kit requires less storage than traffic cones and can be quickly installed and removed at each job site.
