

DEEP BOWL METAL

PENDANT

Security Lighting's Deep Bowl Metal Pendant offers a contemporary pendant shape in multiple colors to provide a dramatic impact for all decor.

The cord hung pendant allows for total flexibility in mounting. The powder coated finish on the spun aluminum shade is extremely easy to clean and well-suited for all high traffic spaces, including the most demanding restaurant environments.

Socket Assemblies are provided with 8 feet of wire, and LED lamps are Omni Directional GU24 base with 90 CRI for high color rendering ability.

Pendants are available in custom sizes, shapes, colors and are offered with a range of LED lamp options in various lumen packages. Please consult the factory for more information.
