

Bushing Draw Lead Adapter, 3.79" Long

By Electro Composites
Catalog # [S-1001-5209-2](#)

*Representative Image

3/4-12 to 3/8-20 Draw Lead Adapter (69kV & Below), Total Length = 3.79in, 600A Max current - For use with Electro Composites SDC Style Bushings and PCORE PRC & POC Style Bushings

Features

- Draw Lead Adapter
- 69kV and below
- 600A Max Current
- Fabricated with electrolytic copper
- For use with Electro Composites and PCORE LV IEEE Bushings

Application

Condenser Bushings

General

Catalog Number	S-1001-5209-2
Material	Electrolytic Copper
Thread Size - Female	3/8-20
Thread Size - Male	3/4-12
Type	Drawlead Connector

Dimensions

Diameter - Outside	0.95 in
Height	0.95 in
Length	3.79 in

Electrical Ratings

Current Rating	600 A
kV Class	15kV - 69 kV

Certifications And Compliance

Industry Standard(s)	IEEE
