

# PHP400 Help Point (VoIP), white, 1 button, induction loop (requires 48 VDC)

By GAI-Tronics  
Catalog # [122-02-0011-11W](#)

The **PHP400 Help Point** is a rugged, public access handsfree telephone housed in a white enclosure. The Help Point telephones are vandal and weather resistant, providing hands-free loudspeaking communications for any public area. The design of the unit takes into consideration the requirements of The Equality Act 2010 (EA). VoIP-SIP telephones support Power over Ethernet (PoE) to combine power and connection to LAN or WAN. GAI-TRONICS' voIP-SIP phones offer a wealth of additional features including real-time reporting via SNMP, and can be configured by web browser.
