

PHP400 Help Point (GSM), white, 2 button, 48 VDC

By GAI-Tronics
Catalog # [228-02-6102-90W](#)

The **PHP400 Help Point** is a rugged, public access handsfree telephone housed in a white enclosure. The Help Point telephones are vandal and weather resistant, providing hands-free loudspeaking communications for any public area. The design of the unit takes into consideration the requirements of The Equality Act 2010 (EA). The GSM version has dual band 900/1800 MHz. It accepts a standard SIM card and has an integrated on-body antenna, which can be removed and sited up to 3m away if required, using the cable provided.

Application

- Public Areas
- Train Stations
- Rail Platforms
