

DDA Help Point (SMART analogue), yellow, 1 button, hands-free (faceplate only)

By GAI-Tronics
Catalog # 228-02-2641-902

In addition to all the benefits of the VR, this help point incorporates features to assist with special needs. The help point is designed to help you comply with The Equality Act 2010 (EA) and therefore ideal for use in public areas. It is finished in contrasting colours, with a raised 32mm button. Raised text, Braille and inductive loop are standard. The Help Point telephones are vandal and weather resistant, providing hands-free loudspeaking communications for any public area. The internal components are protected by a weather resistant enclosure behind the faceplate.
