

Merge & Isolate Cabinet - Model MI05-101

By GAI-Tronics
Catalog # [MI05-101](#)

The Model MI05-101 Merge/Isolate (M/I) Cabinet is designed to operate in a multi-zone Page/Party® communication system. The cabinet can selectively merge and isolate up to five zones that normally operate independently. Each zone's Page/Party® communication cable, which contains five party lines and one page line, is connected to the M/I cabinet.
