

Roller Link Stick, 58"

by CHANCE Utility
Catalog ID: H47144

ROLLER TYPE LINK STICK-1.25X58 1000LBRWL, The Chance Roller Link Stick is used to spread and hold conductors aside at midspan when relocating poles. It is applied to the conductor at the pole and pulled to position by a hand line attached to the butt ring. The handline should be secured by a temporarily installed screw anchor or other fixed object. The tool is also used for measuring conductor-to-ground clearance by attaching a measuring tape or length of rope to the butt ring. Poles for Roller Link Sticks are 13/4 inches ...rotating the pole closes the hook ... leaving the head free to roll along the conductor.

Product Details

General

Duty	1,000 lbs. (454 kg)
Style	Roller Link Stick
UPC	096359040620

Dimensions

Length	48 in
Lengths - Extended	58
Weight	6.86 lb

Conductor Related

Wire Size	605 kcmil ACSR
