

Hot Stick Type Cable Cutter

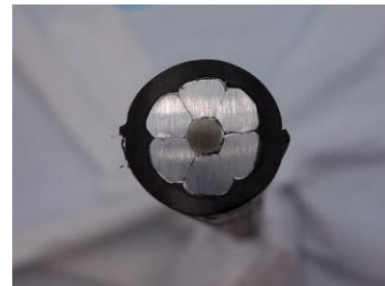

Sepc Sheet

By HUBBELL Wuhu

Catalog ID: WHSPE1139

1. Approx. 2.5 kg. Roughly 50% lighter in weight than a hydraulic-type cutter.
2. You can easily handle the cutter, and manually cut many types of cables. Annealed copper wires. Hard copper wires and ACSR wires with a single reinforced steel wire.
3. Blade sharpness makes a sharp cut face of cable with less deformation.
