## AIS-12 15KV, 200A Universal, NX 15.5KV Fuse, Auto Door Latch, **6"Adapter, Well Inserts**

By Hubbell Power Systems Catalog # A120BN3D1EI

15kV rated; AIS-12 configuration; 200A universal bushing wells; Cooper NX mounting, rated 15.5kV, 50-100A RMS; Automatic door latch; 6" base adapter to allow mounting AIS switch on the pad of a different manufacturer's switch of the came configurationuration

#### Features

- The AIS Switch is a true deadfront design with a sealed switching compartment, utilizing air as the insulating medium along with a deadfront connector system.
- This combination minimizes electrical exposure to work crews and the public, reduces outages, reduces maintenance requirements and provides the most cost effective solution for 15kV and 25kV underground system sectionalizing.
- The AIS has been tested to rigorous specifications of the • Standard for Deadfront Padmounted Switchgear, ANSIC37.72.

#### General

Connector

200A Universal
