

## AIS-10 25KV, 200A Universal, No Fusing

By Hubbell Power Systems  
Catalog # B100B00

25kV rated; AIS-10 configuration; 200A universal bushing wells; No fusing

### Features

- The AIS Switch is a true deadfront design with a sealed switching compartment, utilizing air as the insulating medium along with a deadfront connector system.
- This combination minimizes electrical exposure to work crews and the public, reduces outages, reduces maintenance requirements and provides the most cost effective solution for 15kV and 25kV underground system sectionalizing.
- The AIS has been tested to rigorous specifications of the Standard for Deadfront Padmounted Switchgear, ANSIC37.72.

### General

Connector                      200A Universal  
UPC                                096359243250

### Dimensions

Weight                              2000 lb

### Electrical Ratings

Amperage Rating                200 A  
BIL                                    125 kV  
kV Class                            25 kV
