

35kV Bushing Extender

By Hubbell Power Systems
Catalog # [635BE](#)

35kV Bushing Extender

Features

- Meets or Exceeds IEEE Std. 386 and IEEE Std. 592 requirements
- Interchangeable with other products meeting the same requirements
- Fully shielded, insulated and submersible

General

Catalog Number	635BE
Type	Bushing Extender
UPC	096359745921

Electrical Ratings

AC Withstand Voltage (1 min)	50 kV
Basic Impulse Level	200 kV
Corona Extinction (3pC)	26 kV
Current Rating	600 A
kV Class	35 kV

Logistics

Pallet Quantity	384
