

Pad Mount Enclosure, 2 Doors, 48"x71"x46"

By Hubbell
Catalog # [NE722000WD2](#)

Hubbell Shelters can be used in a myriad of pad-mounted equipment applications. Whether they're completely outfitted as a sectionalizing cabinet or housing switchgear, fused-gear, transformers, metering equipment, pumps or other equipment, they stand ready to protect and secure your valuable infrastructure. Hubbell Shelters are also designed for convenient access if any equipment outage occurs.
