

## EZ2 - EZ Series Vertical Conduit Seal-off with Preinstalled Dam Solution

By Killark  
Catalog # [EZ2](#)

Killark's EZ Seal offers the fastest and safest way to pour a seal fitting for hazardous classified electrical conduit systems. Its revolutionary and unconventional design offers virtually zero preparation prior to pouring the seal. The EZ Seal is the only seal-off on the market that allows the installer 360 degrees of unimpeded access to the conductors with minimal packing fiber required to dam the seal due to a preinstalled solution. No more tooling or frustrating attempts to separate the wires during the prepping process due to little spacing. Use everyone's favorite two-part epoxy resin, CELOX™ as the compound solution for fastest results.

### Features

- Symmetrical and uniform design allows for a quicker installation due to immediate connection to the conduit – no more lining up pouring spouts
- Minimal turn radius offering optimized spacing for both enclosures and conduit
- 360° unimpeded access to potting chamber allowing simplified compound pouring
- Pre-installed disc brush damming technology to drastically reduce packing fiber and installation time
- Retrofittable in case the need to rerun wires occur
- Certified to both fast curing two-part epoxy resin, CELOX, and the traditional SC sealing compound
- Type 3R rated for outdoor applications

### Application

Class I, Divisions 1 and 2: The purpose of seals in a Class I hazardous location is to minimize the passage of gases and vapors and prevent the passage of flames from one electrical installation to another through the conduit system

### General

Catalog Number	EZ2
Finish Type	Natural
Material	Copper-free aluminum (less than 4/10 of 1%)
Series	EZ Seal
UPC	783936185484

### Dimensions

Height	4.44 in
Hub Size	3/4"
Weight	0.51 lb
Width	1.6 in

### Certifications And Compliance

Hazardous Rating(s)	Class I, Divisions 1 & 2, Groups A, B, C, DClass II, Divisions 1 & 2, Groups E, F, GClass III, Divisions 1 & 2
Nema Rating	3R
UL File Number	E10514

### Logistics

Carton Quantity	10
