

G Series - Trim Locknut Spacer - 1/4 In Thick - Used As External Spacer

By Killark
Catalog # [GO-8222](#)

G Series - Trim Locknut Spacer - 1/4 In Thick - Used As External Spacer.

*Representative Image

Features

- Operators are all aluminum except for certain movable parts which are stainless steel.
- All other parts such as screws are either stainless steel or plated steel.
- Threaded bodies are all 3/4"-14 NPSM thread.
- Control stations can be grouped into a single assembly thus reducing installation time and cost.

Application

For use with G Series custom control panel operators.
