Perforated Panel NIC/RHC/Wagie 10.25X12.25 Carbon Steel - White

The NIP Series perforated back panels are designed for mounting lightweight electrical components. Used primarily in small NIC and RHC enclosures.

- Fabricated from carbon steel
- Perforated panels accept self-tapping screws which eliminates the need to measure, mark, and drill when mounting components

White smooth hybrid finish. Panels fit the following enclosures: NEMA 1 Small (NIC), NEMA 3R Small (RHC), NEMA 12 WAGIE. Perforated steel panels are 14 gauge. Accept self-tapping screws - eliminates the need to measure, mark and drill when mounting components. Panels are used for mounting lightweight control components.

Product Details

General

Application	Used for mounting lightweight control components.
Color	White
Construction	Non-Flanged
Finish Type	Smooth hybrid paint
Material	Carbon Steel
Mounting Method	Mounting Holes
Series	NIP
Type	Back Panel
UPC	786725866069
