### Features

- 0

### General

Accessory Type	Jumper Assembly
EU RoHS Indicator	Contact Manufacturer
Material - Clamp	Aluminum
Material - Hardware	Galvanized Steel
Number of Sheds	1.60-2.00
Product Category	Suspension Clamp
Series	images/Suspension Connectors/connsusp_jlc_s.jpg
Strength Rating - Ultimate Body	5000 lb
UPC	096359252184

### Dimensions

Clamping - Maximum	2.00 in
Clamping - Minimum	1.6 in
Diameter - Clamping Hardware	0 in
Nominal Guy Wire Size	0 in
Weight	4.02 lb

### Logistics

Standard Package	15
