Incorporate a ceiling fan accessory to make your ceiling fan more versatile when it comes to finding a place for it in your home décor vision. This 45-degree canopy is for ceiling fans that are mounted on a sloped ceiling and close-to-ceiling applications. The canopy is approved for use only with the following Progress Lighting ceiling fan models: P2501, P2503, P2521, P2526, P2530, P2531 (sloped ceiling only), P2533, P2539 (sloped ceiling only), and P2584.

- Coated in a sleek brushed nickel finish.
- Ideal for ceiling fans mounted in a great room, bedroom, living room, or bonus room.
- Accessory allows you to hang a ceiling fan on a sloped ceiling or close-to-ceiling application.
- Only approved for the following Progress Lighting ceiling fans: P2501, P2503, P2521, P2526, P2530, P2531 (sloped ceiling only), P2533, P2539 (sloped ceiling only), and P2584.
- Perfect for a variety of settings where a ceiling fan's height needs to be adjusted for optimal air circulation.
- Measures 6-5/8-inch width by 4-inch height.
- Refer to the selection guide for recommended down rod lengths based on your ceiling height.
- Includes installation instructions and mounting hardware.
- Progress Lighting products are designed for exceptional quality, reliability, and functionality.
