## Point Dume™ - Rockdance

The Rockdance pendant in Aged Brass is a graceful series fashioned from unique mercury glass, hook elements, and handsome brown stitched leather strapping. With the signatures of a bespoke handbag or boot, the surprising design elements that punctuate this exciting group are certain to become design favorites for generations. This family of fixtures is part of Jeffrey Alan Marks Point Dume™ lighting collection which celebrates a curated mix of yesterday and today, distilling both industrial and artisanal influences.
