## Point Dume™ - Rockdance

The Rockdance pendant in Aged Brass is a graceful series fashioned from unique mercury glass, hook elements, and handsome brown stitched leather strapping. With the signatures of a bespoke handbag or boot, the surprising design elements that punctuate this exciting group are certain to become design favorites for generations. This family of fixtures is part of Point Dume™ lighting collection which celebrates a curated mix of yesterday and today, distilling both industrial and artisanal influences.
