This wall lantern is expertly crafted with that casual, coastal style you love. A clear glass shade shields a simple light base for a seaside-living vibe. The shade is cradled inside an open-cage black frame featuring thin bars and constructed with a composite polymer, corrosion-resistant housing. DU-RASHIELD by Progress Lighting is built to last. Constructed from a composite material with UV protection, DURASHIELD holds up even in the harshest weather conditions. This high-performance finish has a 5-year warranty and is resistant to rust, corrosion, and fading.

- A clear glass shade shields a simple light base for a seaside-living vibe.
- The glass shade is cradled inside an open-cage black frame of corrosion-proof composit polymer.
- The wall lantern is constructed with a non-metallic, corrosion-resistant housing.
- Ideal for any foyer, bedroom, entryway, porch, or patio in transitional or coastal settings.
- DURASHIELD by Progress Lighting is a material that is built to last. Constructed from a composite polymer with UV protection, DURASHIELD holds up even in the harshest weather conditions. This high-performance material has a 5-year warranty and is resistant to rust, corrosion, and fading.
- Measures 6-1/4-inch width by 9-3/4-inch height.
- Uses one medium base bulb that is sold separately (60w max LED or incandescent).
- · Able to be fully dimmable with dimmable bulbs.
- · Includes installation instructions and mounting hardware.
- Progress Lighting products are designed for exceptional quality, reliability, and functionality.
