Progress Lighting offers a variety of mounting and end clips to help make finishing an installation a smooth experience and to provide options for flexibility in design. The LED Tape Light Undercabinet System offers end caps to finish an installation by placing them at the end of a run of LED tape after the tape has been cut.

Width: 0.49"
Length: 0.59"
Height: 0.21"

- End caps are ideal for terminating the run of LED tape at the end of an installation
- Place caps after the LED tape has been cut at the end of a run
- Caps are sold in sets of 10
- Measure ½ in L X ½ W X ¼ Ht
- Progress Lighting products are designed for exceptional quality, reliability, and functionality
