

CUSTOM CYLINDER PENDANT

Security Lighting's Custom Cylinder offers a contemporary pendant shape in multiple colors to provide a dramatic impact for all decors.

The cord hung pendant allows for total flexibility in mounting and the powder coated finish on the spun aluminum shade is extremely easy to clean and are well suited for all high traffic spaces including the most demanding environments where style and decor cannot be compromised.

Socket Assemblies provided with 8 feet of wire and LED lamps are Omni Directional GU24 base, with 90 CRI for high color rendering ability.

Pendants are available in custom sizes, shapes and colors and are offered with a range of LED lamp options in various lumen packages, so please consult the factory for more information.
