

DRUM PENDANT

Security Lighting's Drum Pendant Series offers a classic pendant shape in multiple sizes and colors to provide maximum design flexibility for all of today's contemporary decors.

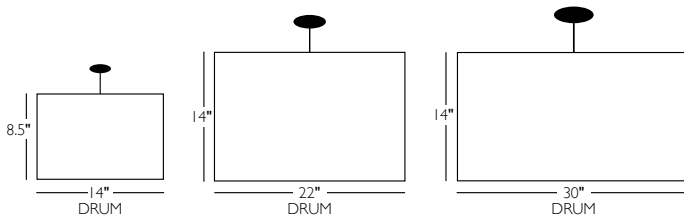

These shades are uniquely engineered to suit all high traffic areas in demanding restaurant environments and include a durable fabric look material which can be cleaned. With white interior color, shades are translucent and provide the added benefit of glowing effect.

Socket Assemblies provided with 8 feet of wire and LED lamps are Omni Directional GU24 base, with 90 CRI for high color rendering ability. Stem consists of canopy, (1) 30" and (2) 12" rigid rod segments. With the addition of the optional supplemental stem length mounting kit, pendant can be mounted at varying heights.

Pendants are available in custom sizes, shapes, colors, prints and are offered with a range of LED lamp options in various lumen packages, so please consult the factory for more information.
