By Raco  
Catalog # 3725-0

1-1/4 in. Color-Coded Straight Strain Relief Cord Connector,  
Steel, Purple

\*Representative Image

## Features

- Steel construction provides mechanical strength and durability
- Neoprene grommets are color-coded by cable diameter allowing for quick and easy identification
- Metallic components are zinc plated for corrosion protection
- Unique grommet design is forced up and around the cord when the nut is tightened creating a liquidtight seal
- Time saving and easy installation - no need to disassemble the fitting for cord installation
- Additional colors and sizes available
