

ULTIMATE G SERIES MOUNTING BRACKET

By Raco
Catalog # 9030GP

ULTIMATE G SERIES MOUNTING BRACKET

Features

- Snap to stud or open center bracket for hands-free installation
- Save time and increase productivity
- For low-voltage installations the bracket can be used without electrical boxes
- Mounts to either side of the stud
- Gangable, making it easy to add boxes on either side
- Positive posting tabs ensure consistent alignment on the stud
- Center window for accurate positioning
- Works with all box depths and stud sizes with no adjustment required
- Available with integrated hinged adjustable mud rings
- 232GSCM and 252GSCM feature our STAB-iT® boxes with cable management

Application

Ideal for prefab, RACO Ultimate G series brackets work with any box 4" or 4-11/16" box and mud rings, mount to studs or 9030 G open center bracket
