

RETRO-BRACE® 1/2 in. deep box remodeling kit, Two 1/2 in. KO's

By Raco
Catalog # [939](#)

RETRO-BRACE® 1/2 in. deep box remodeling kit, Two 1/2 in. KO's

Features

- Adjustable for joist spacing from 16 in to 24 in
- Simple "tool free" expansion of brace
- #10-32, 1 in long ceiling fan screws provided and #8-32 ceiling fixture mounting provisions
- Supplied with two 1/2 in. knockouts
- Easy installation, up front ground screw
- Easy to follow instructions and mounting hardware included

Application

939 RETRO-BRACE Pan and Support Kit makes it easy to add ceiling paddle fans or heavy lighting fixtures in Old Work applications. Created to perform with engineered wood joists, but works with any wood joists. Low profile tool-free design minimizes disruption of the ceiling and installs quickly.
